

Far North Regional GIS Council

FNRGC

What We Hope to Achieve

- Cost sharing
- Facilitation (data / technology sharing)
 - Greater Regional communication
 - Reduce redundancy
- Effort / Expertise sharing
- Greater participation in GIS
- Standards / Consistency
- Fulfilling or supporting Agency mission / goals
- Funding clout
- Political clout / leverage – State level

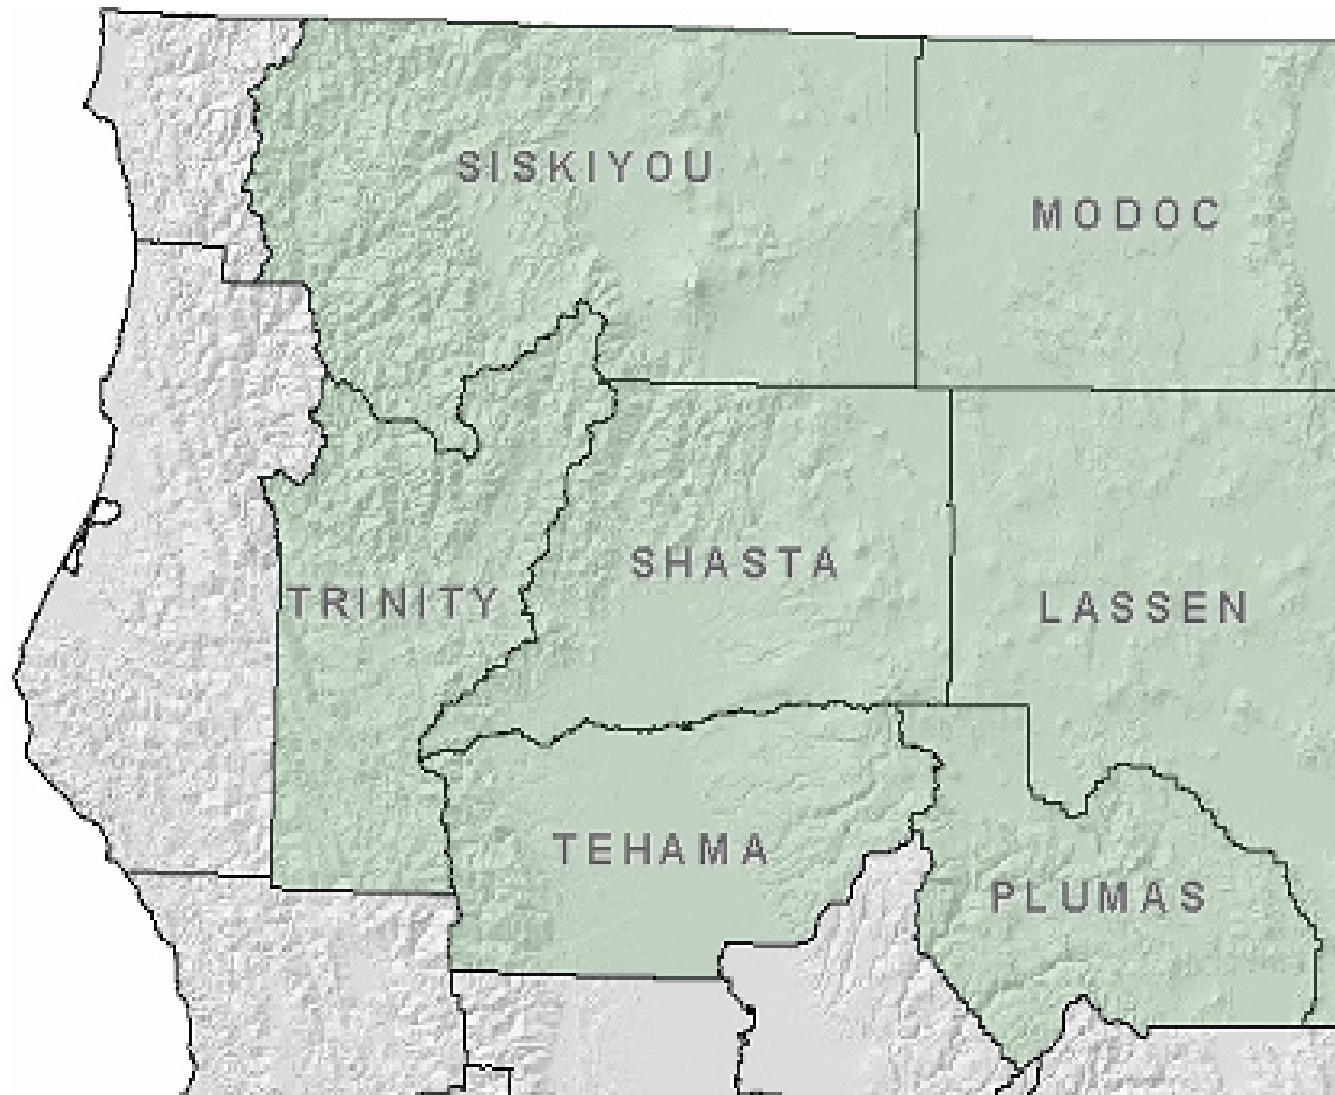

Participation

- All participation is voluntary
- No cost for participation
- Council is Organization-based
- “Standing” vs. “At Large” Membership
- Non-Exclusionary
- Council participation does not preclude involvement in other RGCs
- Not a policy-making forum
- Members indicate participation by providing an application and contact information
